

## Support **CrossState Credit Union Action Fund** to Further Credit Union Advocacy Efforts

CrossState has created a new Credit Union Action Fund (Action Fund) that is able to accept credit union and corporate contributions to support credit union advocacy efforts. This new Action Fund will supplement CrossState's political efforts in conjunction with CrossState's Political Action Committees (PACs).

While PAC funds are used to directly support credit union-friendly candidates, contributions to the Action Fund will be used to directly support other legislative, regulatory, political, and grassroots efforts. Like PAC funds, the Action Fund contributions are not tax deductible under state or federal law.

Please consider investing in the Action Fund. This sustainable funding source will ensure that New Jersey and Pennsylvania credit unions will have an even stronger voice and presence for the betterment of the credit union movement.

Please accompany the following information with your credit union/company check:

---

Credit Union Name: \_\_\_\_\_

Credit Union Contact: \_\_\_\_\_

Address: \_\_\_\_\_
