

CrossState Credit Union Association (CrossState) is continuing its efforts to elevate the visibility of New Jersey and Pennsylvania credit unions, and their more than 5.4 million members among lawmakers in Washington, D.C., Harrisburg, and Trenton.

One way to assist credit union advocacy efforts is to update your CrossState Political Action Committee (CrossState PAC) participation agreement. This agreement allows CrossState to keep you informed about federal issues affecting credit unions and communicate CrossState PAC fundraising initiatives and political activities.

Credit unions that currently participate in CrossState PAC fundraising programs, such as Deduct-A-Buck or Payroll Deduction, must have a signed participation agreement on file.

Your members, volunteers or staff will never be contacted or solicited directly by CrossState to support the CrossState PAC. Thank you for taking part in the political process to expand opportunities for CrossState member credit unions and to strengthen our message to New Jersey’s and Pennsylvania’s Congressional delegations.

PARTICIPATION AGREEMENT

The _____ Credit Union grants permission to CrossState PAC through the CrossState Credit Union Association to allow us to participate in political action. However, we do not authorize any direct solicitation of our members, volunteers or employees without prior approval by our Board of Directors. We have not granted any other federal political action committee this same right as federal law restricts members to only one trade association PAC per year.

For convenience, many credit unions choose to renew their participation for more than one year.
