FOR IMMEDIATE RELEASE

## **CrossState Solutions Partners with eScope Solutions to Elevate Technology Offerings for Credit Unions**

*Harrisburg, PA and Hamilton, NJ* – CrossState Solutions proudly announces its partnership with [eScope Solutions](#), a leading provider of tailored technology solutions for credit unions. Specializing in Advanced Networking Solutions, Managed Security Solutions, and Compliance Solutions, eScope brings expertise that will strengthen CrossState members' technological infrastructure, ensuring robust security and regulatory compliance while optimizing operational efficiency.

This collaboration empowers CrossState Solutions to deliver enhanced technology services to its members, supported by eScope's personalized, high-quality assistance that distinguishes them in the industry.

"In today's rapidly evolving digital landscape, it's imperative for credit unions to stay ahead of the curve," said Monika Edlis, Director of Solutions Engagement at CrossState Solutions. "We are thrilled to partner with eScope Solutions, a true leader in the technology services sector. Their suite of offerings perfectly aligns with our commitment to delivering cutting-edge solutions to our credit unions. With their dedication to

personalized service and tailored solutions, each credit union can thrive in today's digital landscape."

"eScope Solutions specializes in cybersecurity through real-time security controls. Using threat assessment and monitoring, eScope protects confidential data, reduces online risk, and assures regulatory compliance," said Dean Marshall, CISSP, MBA, Executive VP, eScope Solutions Inc. "Considering how quickly the cybersecurity landscape changes, CrossState credit unions will be able to rely on eScope Solutions engineers to detect and respond to most known and new security threats."
