CrossState Solutions Partners with NES Group

Harrisburg, PA – CrossState Solutions is excited to announce a new partnership with NES Group, a full-service provider specializing in creating innovative, functional, and brand-aligned environments for financial institutions. This partnership will give credit unions access to a trusted partner for branch design, renovations, and project management—helping them create spaces that reflect their brand and deliver exceptional member experiences.

NES Group provides a comprehensive, start-to-finish solution for credit unions, whether opening a new location, renovating an existing branch, or retrofitting a space to align with modern member needs. With in-house expertise in architecture, project management, marketing, and bank equipment, NES Group eliminates the need to juggle multiple vendors. Their integrated approach ensures consistency, quality, and efficiency at every stage of the project.

“NES Group’s ability to seamlessly design and deliver tailored branch environments makes them a strong partner for our credit unions,” said *Monika Edlis, Director of Solutions Engagement at CrossState Solutions*. “By working with NES Group, credit unions can reimagine their spaces in ways that are both functional and brand-enhancing.”

“At NES Group, we’re passionate about helping financial institutions bring their vision to life,” said *Zachary Rosen, Director of Business Development at NES Group*. “Our team’s unique, all-in-one approach simplifies the process, ensuring that every project is completed on time, on brand, and on budget. We’re thrilled to partner with CrossState Solutions to help credit unions transform their spaces for the future.”
